

WAIT LIST APPLICATION

Larool Pre-School was established in 1972 as a non-profit community pre-school run by a Management Committee made up of parents of the children attending. We are licenced by the Department of Community Services and receive a small amount of government assistance. All money raised by the pre-school through fees, government subsidies and fundraising goes directly to our children's education.

Larool operates during the NSW school terms with the first and last day of each school year being a pupil free day. The main emphasis of the pre-school is providing a quality education program including school readiness, pre-school computing, music and performing arts. The children also present a concert for the parents at the end of each year. We have two classes each day, each run by an Early Childhood Qualified teacher with at least one assistant in each class. We have a loyal and dedicated staff with very little movement creating a stable setting for your child.

By completing and lodging the form below together with the non-refundable wait list fee of \$25 your child's name will be placed on our waiting list. When a place becomes available we will contact you to commence the enrolment procedure. We would appreciate if you could keep us informed of changes to your details so we can contact you.
